## **Our Happy Hounds Organic Biscuit Bakery™ Announces New Business Relationship!**

### **Our Happy Hounds Organic Biscuit Bakery™ Now Producing Organic Bones For ProGrass™ Healthy Pet Lawn Treatments!**

Eugene, Oregon – April 13, 2008

Our Happy Hounds Organic Biscuit Bakery™, an organic and healthy line of handcrafted Dog & Cat Treats, is thrilled to announce that their Organic Milk Bones (Gracie's Favorite Milkbone©) has been selected by ProGrass™, a Lawn Treatment Company located in Oregon and Washington, to represent the Company's Healthy Pet Line.

“We could not be more excited to be working with ProGrass™, this is such a great opportunity for our business”, said Managing Partner, Krista Harrison. “Our passion is improving the health of the animal while improving the health of the Earth, and working with an Eco-responsible company, really helps us to get our message to responsible Pet Owners.”

The Company's mission is “Providing the healthiest, freshest dog and cat treats created with organic human-grade ingredients to both improve the environment and each animals' health.”

Our Happy Hounds Organic Biscuit Bakery™ is owned and operated by Debbie Russell and Krista Harrison, both Organic gardeners who also follow Organic Diets. “It's hard to eat conventionally grown and processed food, with the use of pesticides and inferior ingredients, Debbie Russell, Biscuit Baker. “But make it a priority – it's your life!”

“We are working hard to compete with the “Big Guys”,” stated Krista. “But our product is different – it is baked at low temperatures, to preserve the nutrients, we don't use wheat, corn or soy products, and most of all it is baked fresh per order, preserved with Organic Grapeseed Oil.”

Our Happy Hounds Organic Biscuit Bakery™ products are available through their website, [www.happyhoundsbiscuits.com](http://www.happyhoundsbiscuits.com), or at select Retail Stores: Wags!, The Healthy Pet, and Bone Appetite in the Eugene, Oregon area.
